Staff proudly dedicates '79 Recuerdos to Jim Robesky...

Because of his continuous inspiration and help, the '79 Recuerdos staff would like to take this chance to show our appreciation to our advisor Mr. Jim Robesky by dedicating this special edition to him. As a head coach of varsity football and a social studies teacher, Mr. Robesky is both known and respected as a great guy with a terrific personality. Thank you, Mr. Robesky for encouraging the staff and always being there with answers to our problems. Your help has been appreciated greatly...

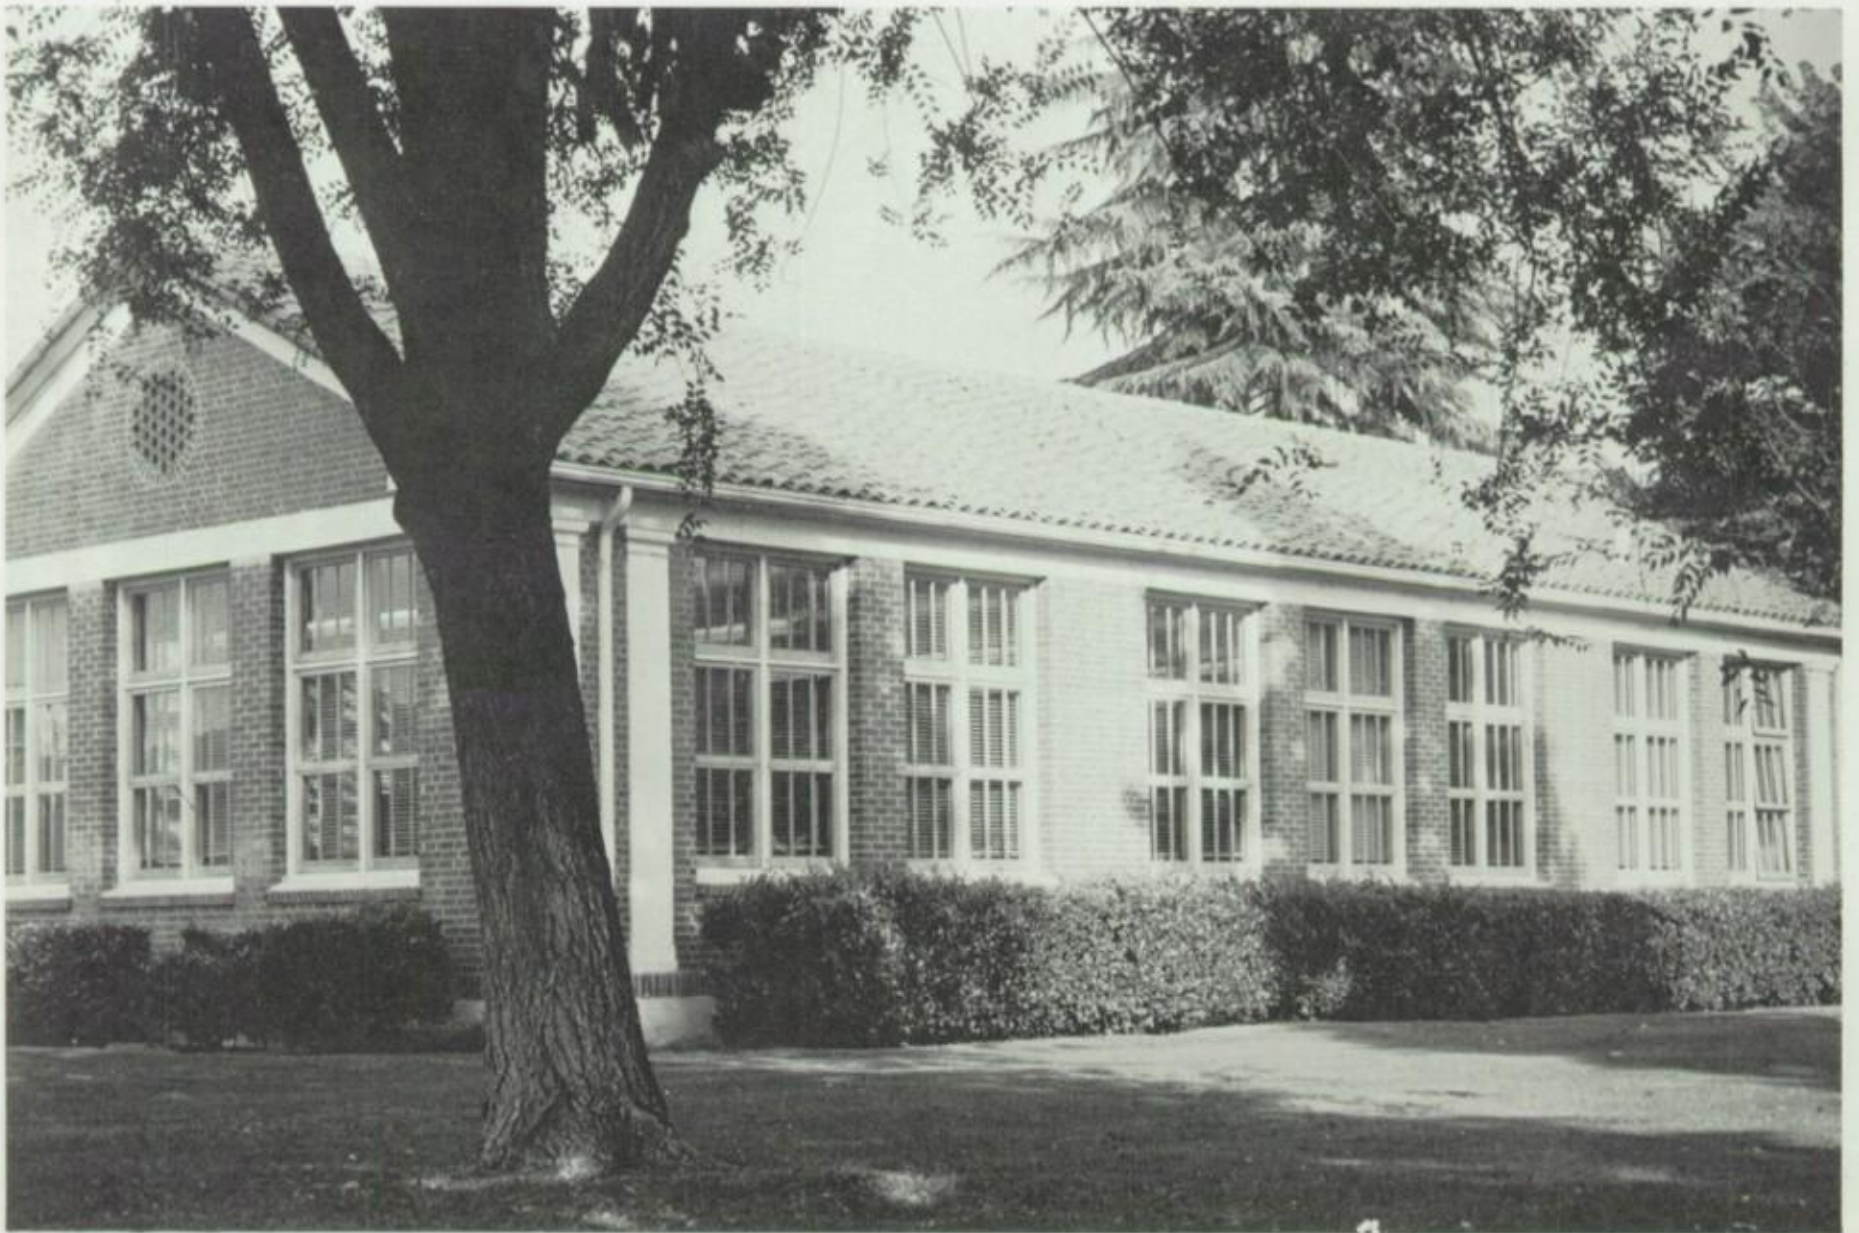

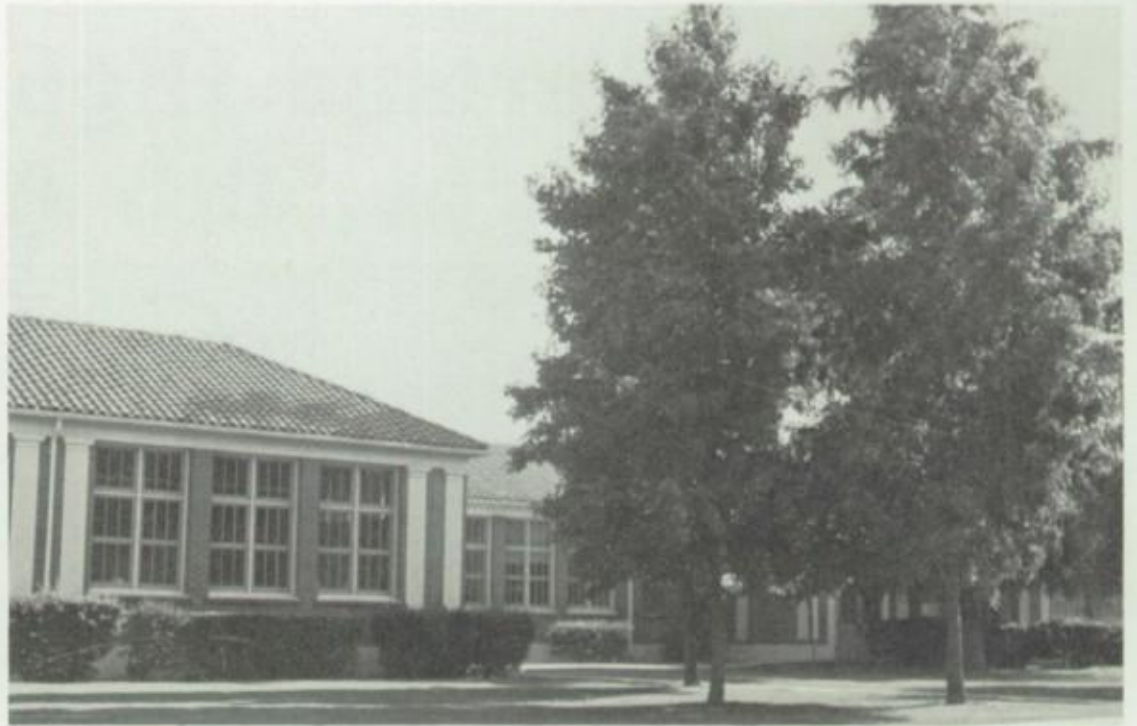

McFarland High Proudly Celebrates 50th Anniversary

The Recuerdos' theme this year was reflected in the activities and thoughts at various events. The Homecoming theme was "50 Years Old and Memories Told". The yearbook is also proud to have the theme of the fiftieth anniversary spotlighted. We are very proud of the traditions passed down to us by former students, teachers, and administrators.

The changes in technology, architecture, culture and education have been drastic over the last half a century, all too numerous to mention. The one important aspect of life, however, hasn't changed in McFarland. The solidarity, the closeness of the community and school, and the pastoral country atmosphere prevails in the hearts and minds of MHS alumni and students alike.

THE STATEMENT OF A SENIOR

I've watched the classes round about
Yell, "My class is best, without a doubt!"
Well, I'll admit that may be true,
But take a moment and look at you!.

You who are gives your class class
Not that handsome lad or that cute lass.
It depends not at all on what you wear,
Or in what new fashion you've fixed your hair.

I'm the first to admit that the juniors are loudest.
The seniors at rallies are the most uncrowdest.
The sophomores are cute (well at least a few...)
The freshmen... give 'em a year or two.

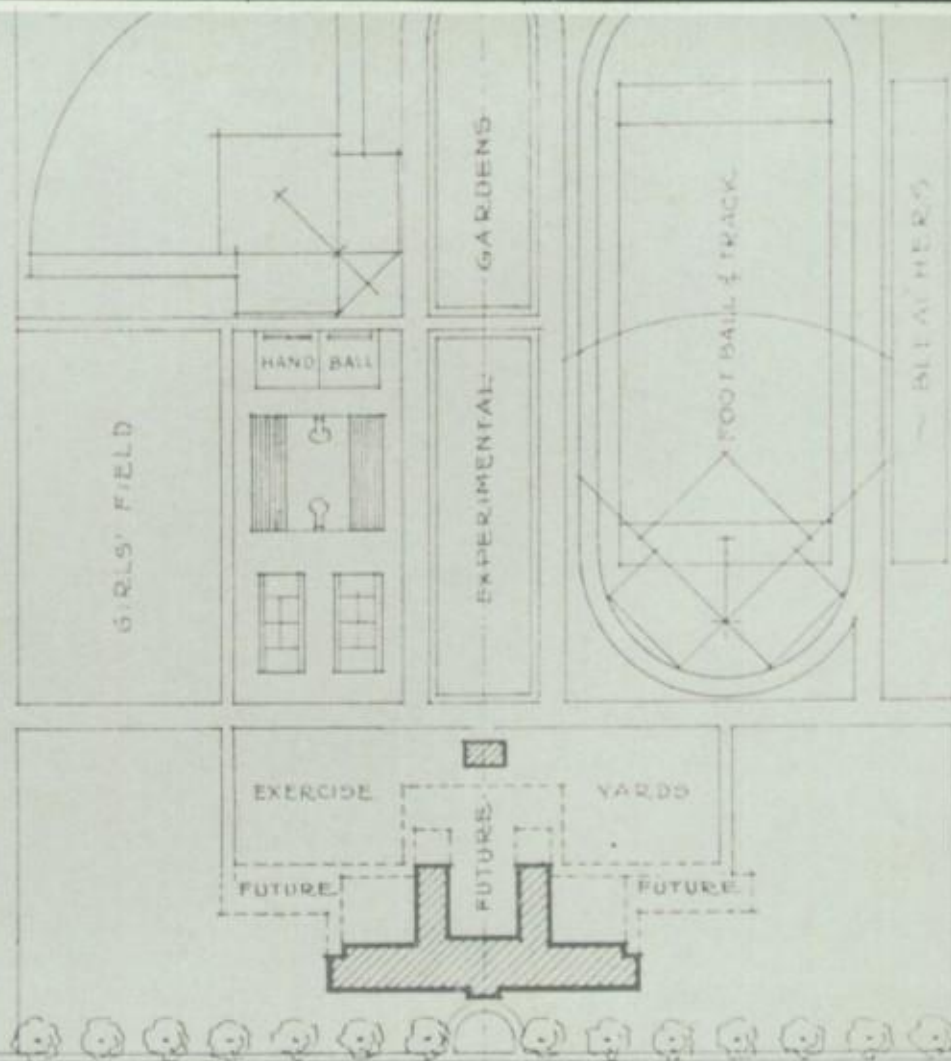

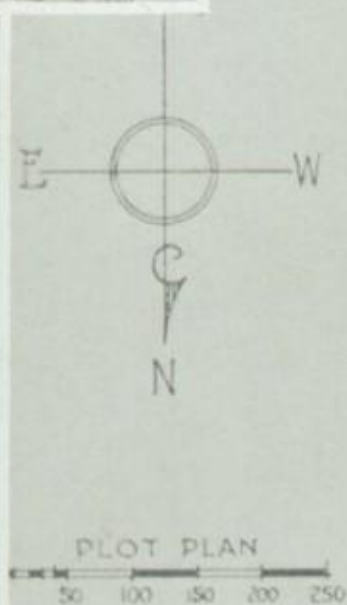

Out yelling at rallies is fine and dandy.
It's nice to say, "We sold the most candy!"
But that, my dear friends, does not at all mean
That your class is "the best class on the scene!"

What makes a class best depends on one thing.
In Prof. Eitel's words, "The reason being"
The people in the best class really **care**.
They don't point a finger with nose in the air.

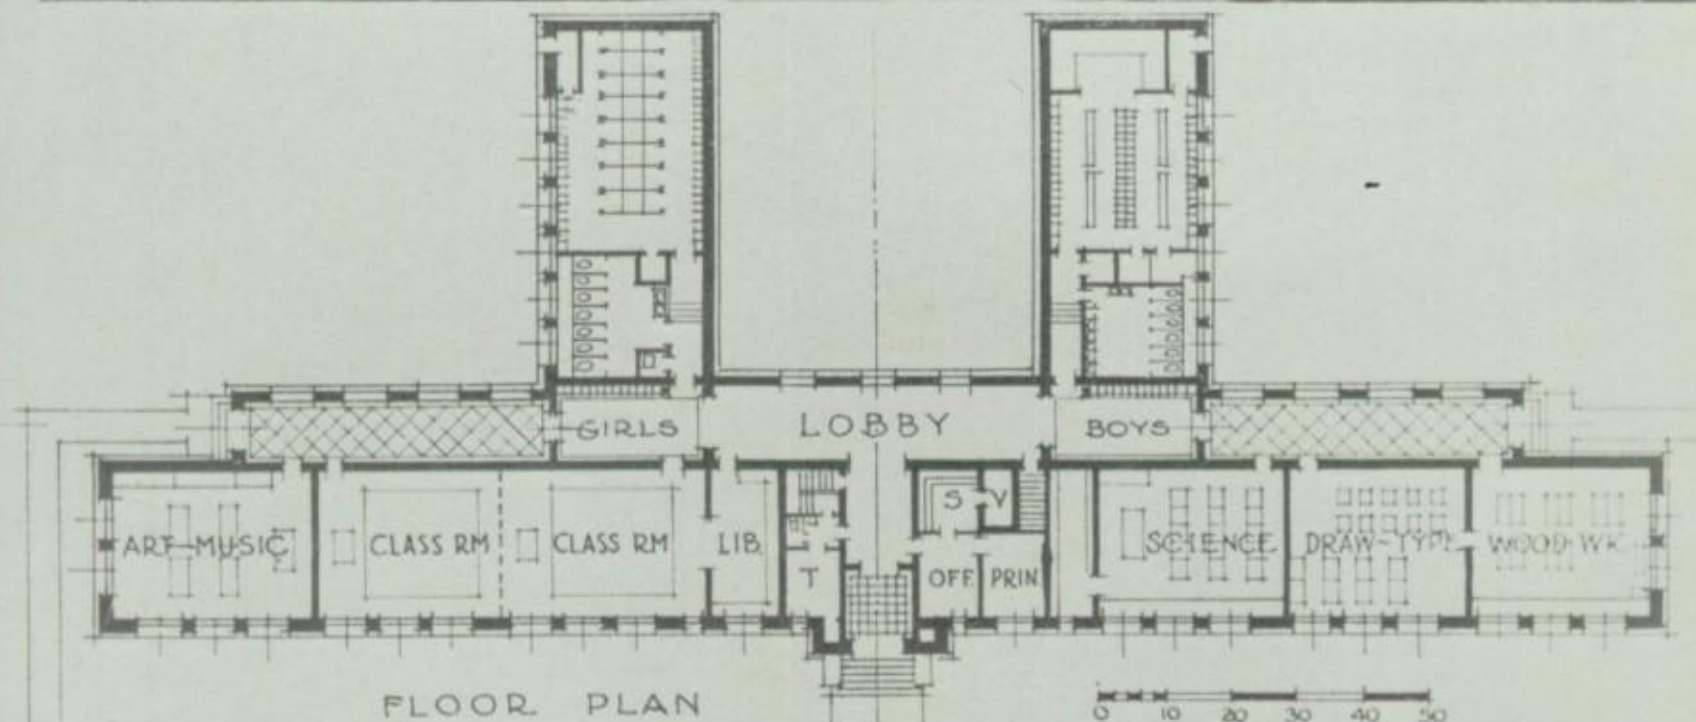

They help others out—lend them a hand.
When asked for advice, they understand.
They smile with a "Hi!" when passing by.
No matter what class (even math) they try!

Now examine yourselves—take a look at your fate.
Is your "great" class really all that great?
Only you can know. Take a moment. Decide.
Does your class have a real reason for pride?

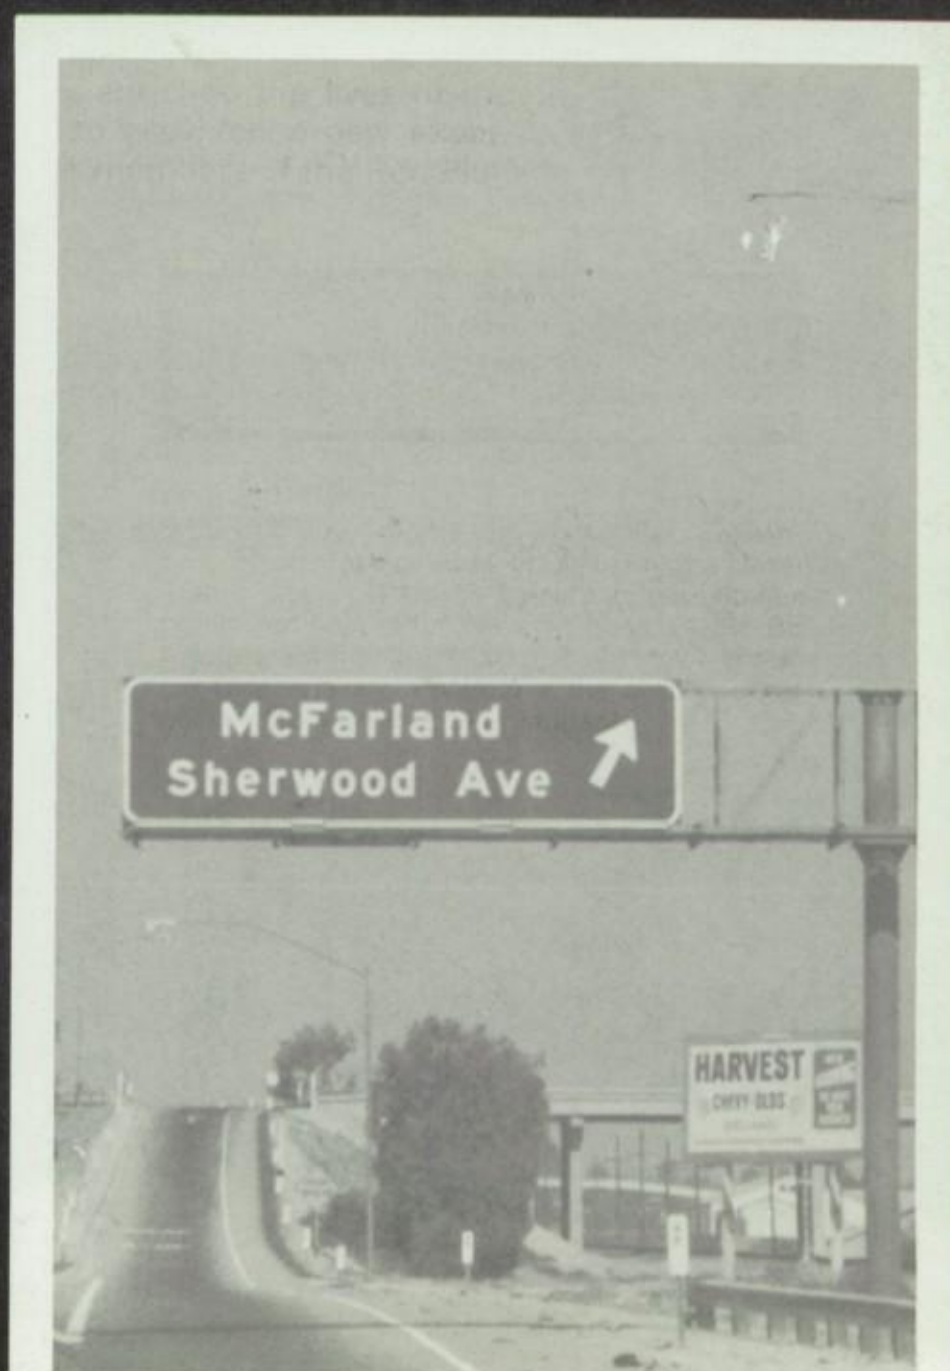

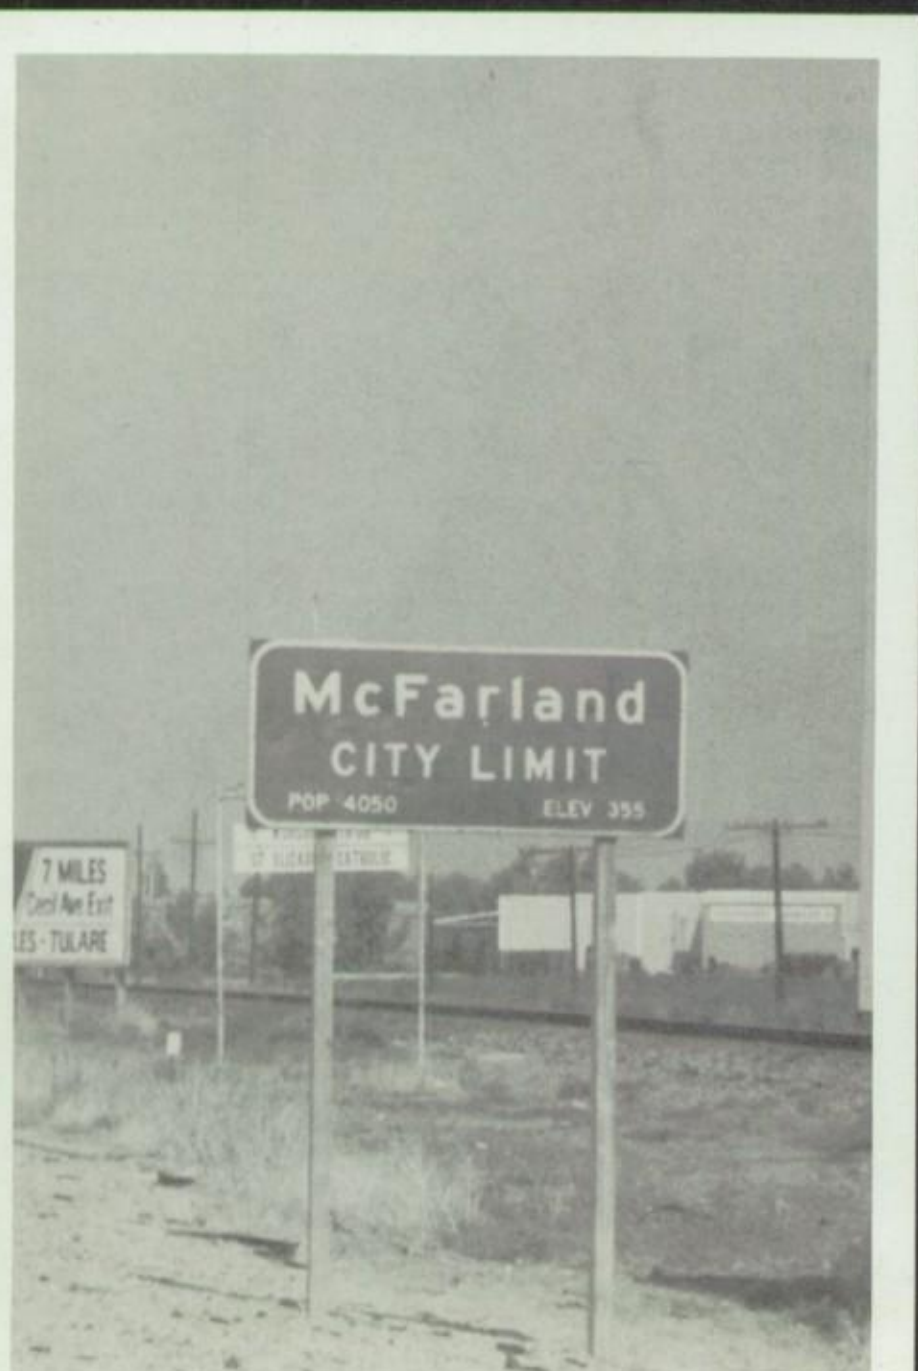

Signed,
A Senior

FFA Sponsors Annual Donkey Basketball Game

Donkey basketball is one of the most humorous and fun things that go on at MHS through the year. FFA has always been praised for this activity.

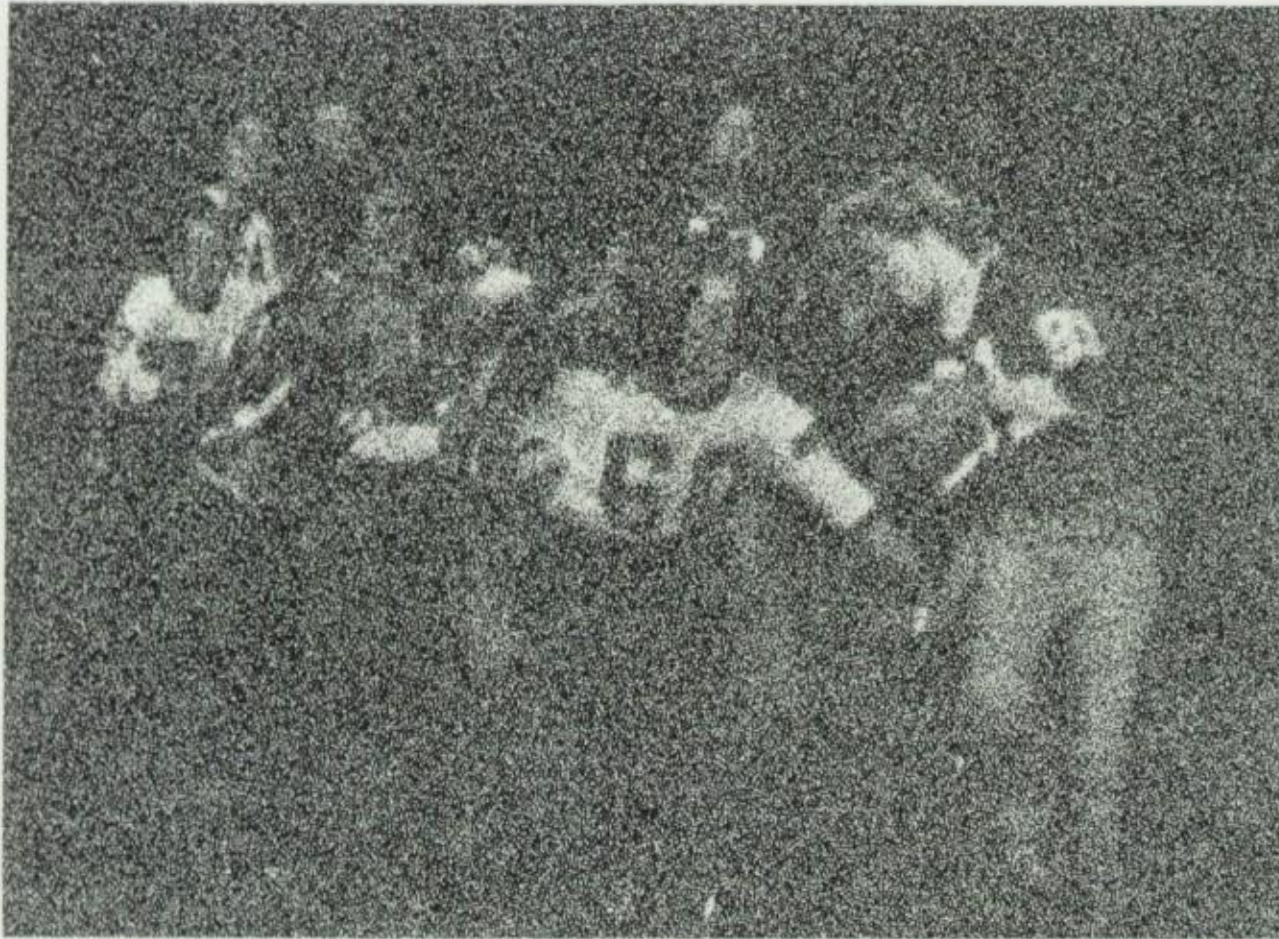

Donkey basketball takes lots of courage and enthusiasm. The members of the McFarland FFA go out and usually bruise themselves up by the falls and hope the pain goes away in a few days. Through all the agony and soreness though, the participants have a total blast playing on the backs of old jack-asses.

Sophomore-Junior Team Rips Freshman-Seniors In Annual Powder Puff

28-14

Four quarters of girls' actions on the field, male cheerleaders going nuts on the sidelines, people in the stands on their feet watching the action, that is what powder-puff football is all about. Between the cheering and the playing, everyone involved is really having fun. This year the junior-sophomore team beat the senior-freshmen team 28-14. Although it was a rough and tough battle, the middle classmen won out.

Powder-Puff Cheerleaders '79

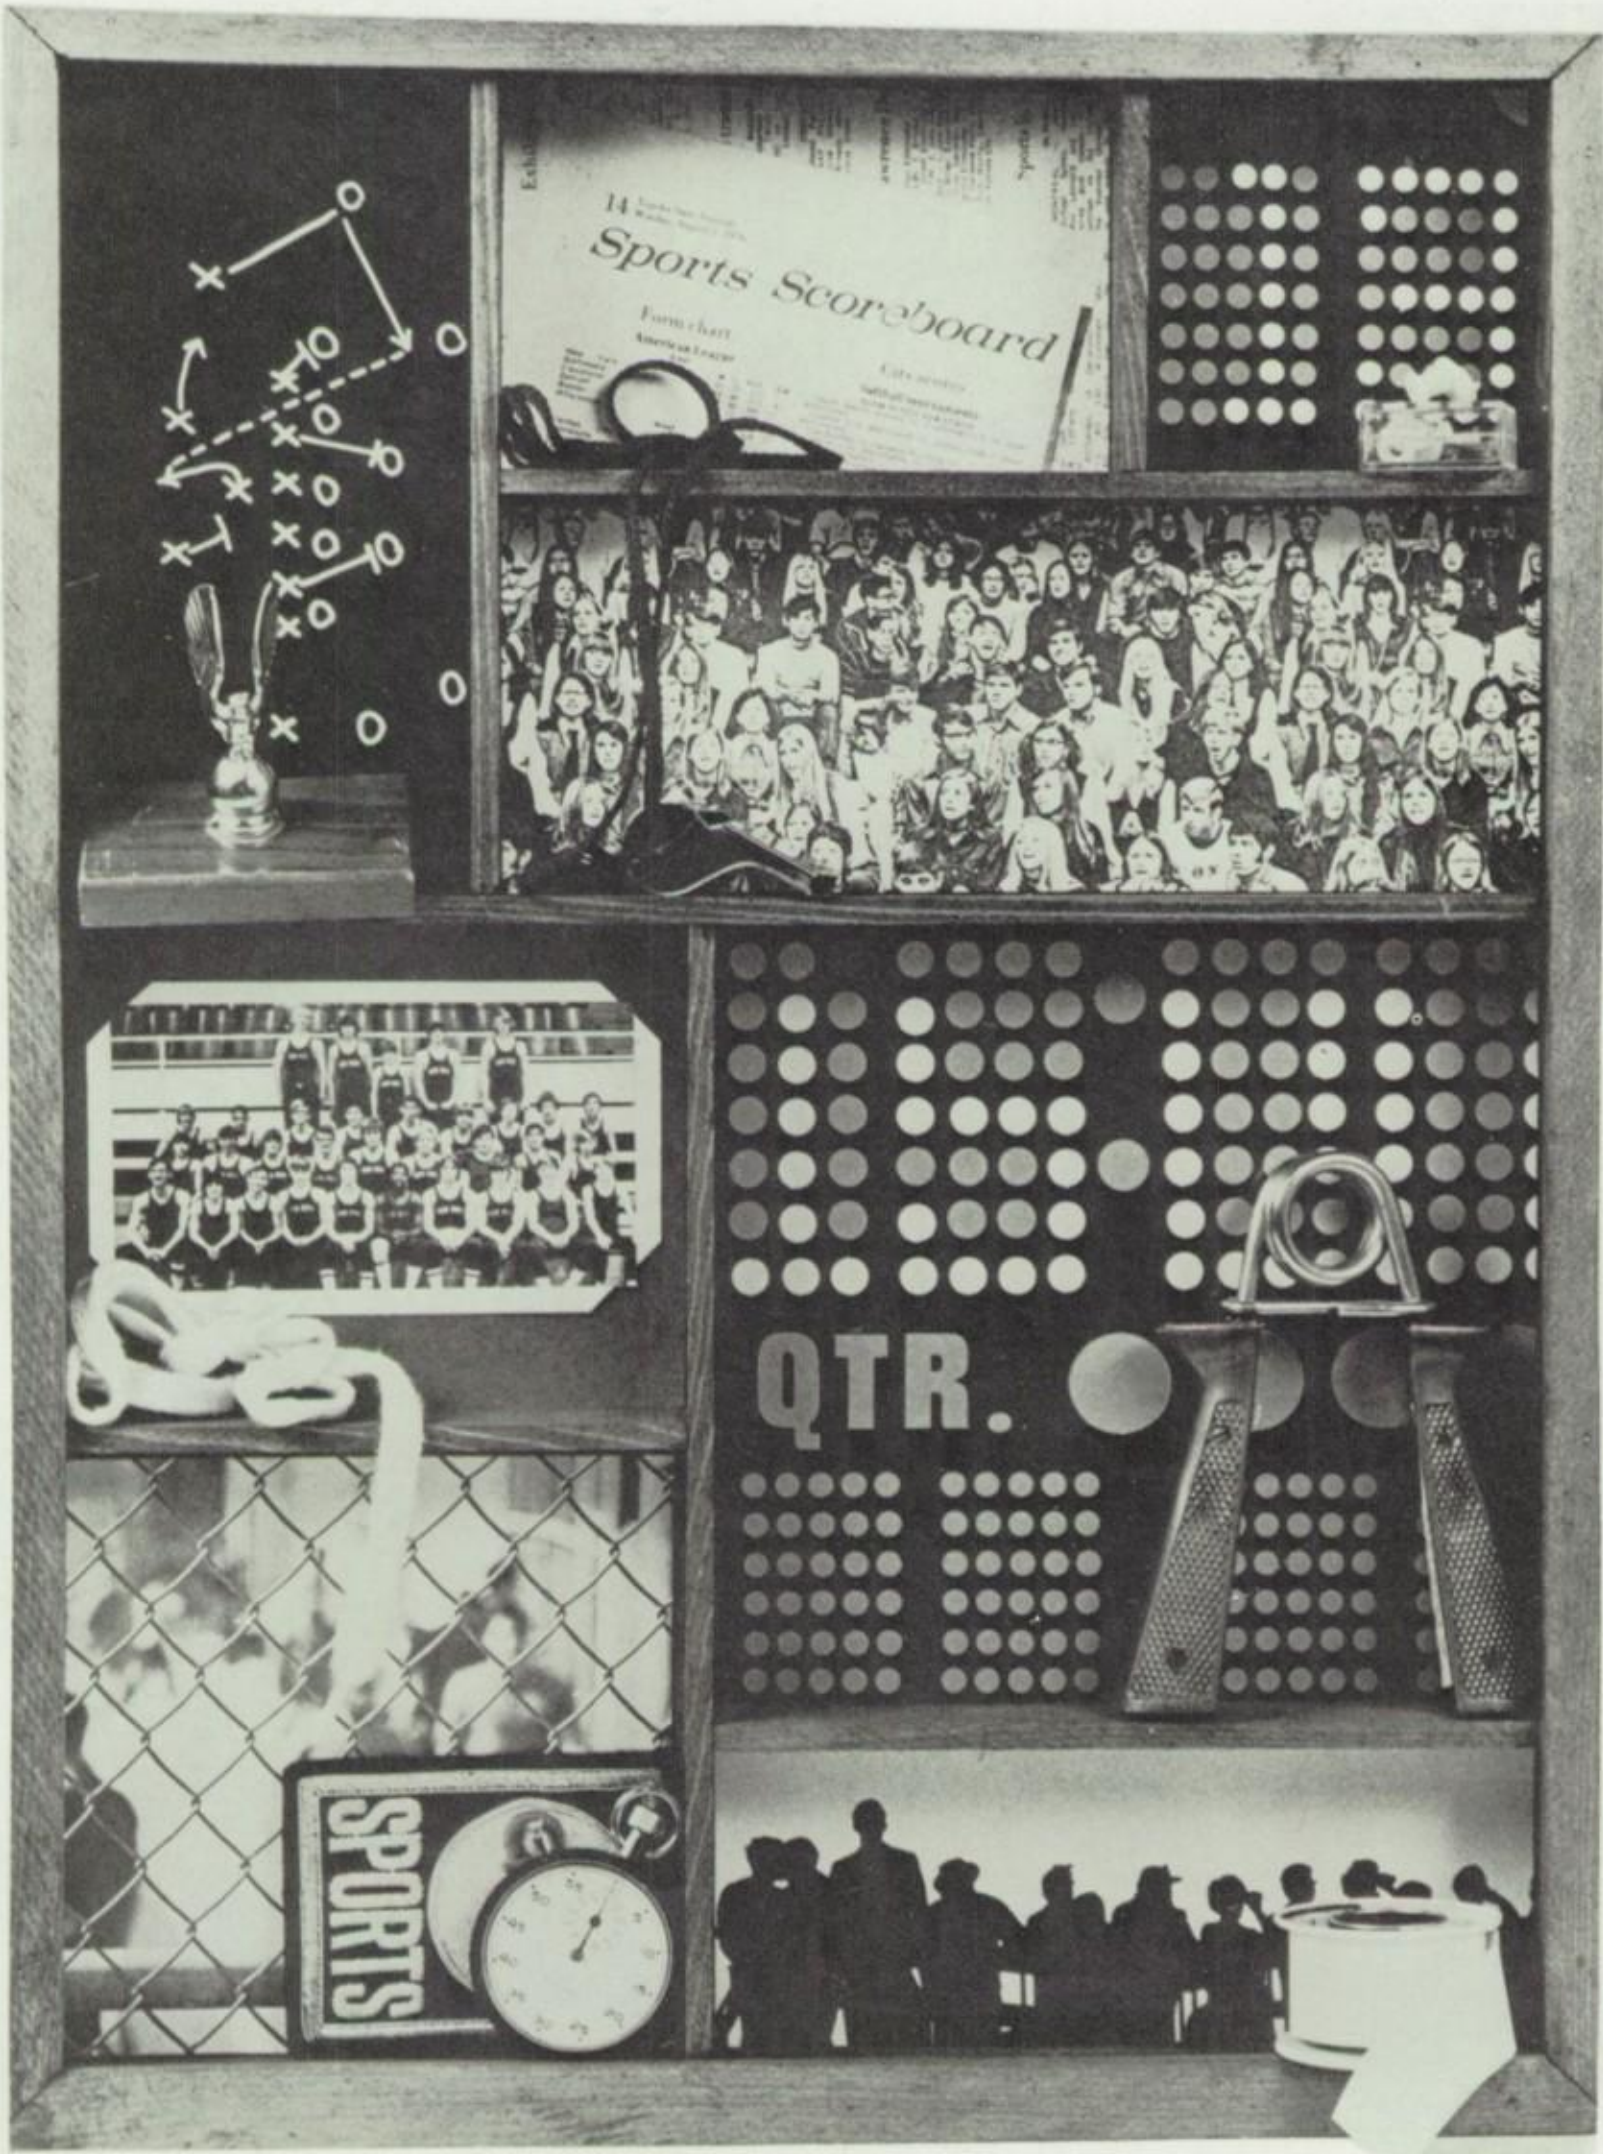

This year's cheerleaders seemed to be some of the most enthusiastic ones yet. They kept the crowd and players laughing continuously. Between their crazy antics and funny cheers, everyone enjoyed them very much.

Let's Hear It For Kitten Spirit

This year's freshman cheerleaders were Linda DeLeon, head-cheerleader Mitzi Rosson, and Melissa Munoz. They really helped get their classmates going!

Girls' Basketball

The 1978-79 girls basketball team was a very successful one during this season. For the second straight year, the team won the East Sierra League championship. The record was 16-5. Christi Stanford was leading scorer for the team and also 2nd leading scorer in Kern County. Senior Jeannie Jorgenson fed Christi many balls and Leanne Anderson helped gather up the rebounds for additional points. Sandy Jackson and senior Maria Aguayo filled in as forwards whenever the occasion arose. Many girls played the position of guard. They are Sandy Mendez, Carol Toroop, Lori Marengo, Tammy Wallace, and Delores Melendez. The three freshman who completed the team were Nonna Bristos, Rosie Molina, and Sally Ramos.

Cougars tromp Laton: tie Avenal COUGARS OF THE WEEK

by Coach Jim Robesky
Senior tailback Lee Noriega scored three touchdowns and contributed 146 yards rushing as the McFarland Cougars dumped the Laton Mustangs 37-0 Friday night.

The win keeps McFarland tied with this week's opponents Avenal.

Noriega picked up one touchdown in first quarter on a three yard run, another in the second quarter on a two yard run, and his third touchdown in the fourth quarter on a one yard plunge. Noriega who went both ways, and another defensive back, Kevin Fulmer, paced McFarland's shutout effort. Noriega had 10 tackles, 6 unassisted, and an interception. Fulmer collected 11 tackles, 7 unassisted.

Cougar Willie Lara scored the game's first touchdown on a 19 yard pass from quarterback Ricardo Vasquez. After the game's next two scores

In Memory Of Jesse Mouser

The yearbook staff of the '79 school year would like to take this opportunity to show what a great man Jesse Mouser was to both the school and the community alike. His support to the Almond Classic was so tremendous that the whole school praised him for it. His constant interest in everything around him made him a person no one could dislike. Supporting athletic activities is one thing, but to be involved the way he was is a trait not very many people have. His absence will be one felt by everyone. He will be missed.
